

Calling young photographers!

Lady Bay Arts are offering a funded opportunity to a young photographer (aged 18-25) in Nottingham to document our 'Festival Weekend' on the 18th and 19th May.

This opportunity will support the development of skills in documentary photography during a fast paced community event incorporating thousands of people.

This includes

A fee of up to £500 to cover preparation, attending the weekend and processing images.

Mentoring support from a professional photographer in the run up and after the event.

An exhibition of photographs at the 'Festival Weekend' in 2025.
